

Viewing a Plan Change in the E-Plan

1. Click on the select button in the left-hand panel. 

The screenshot shows the Hamilton City Operative District Plan interface. The left-hand panel contains a 'Select' button highlighted in yellow. The main content area displays 'Volume 1 / Chapter 1 Plan Overview' with a table of contents for '1 Plan Overview', '1.1 Introduction', and '1.1.1 Purpose of the District Plan'. The text below the table of contents discusses the purpose of the District Plan and references the Resource Management Act 1991.

2. In the pop-up window select the Plan Change, the e-plan table of contents will then only show those in the Plan Change.

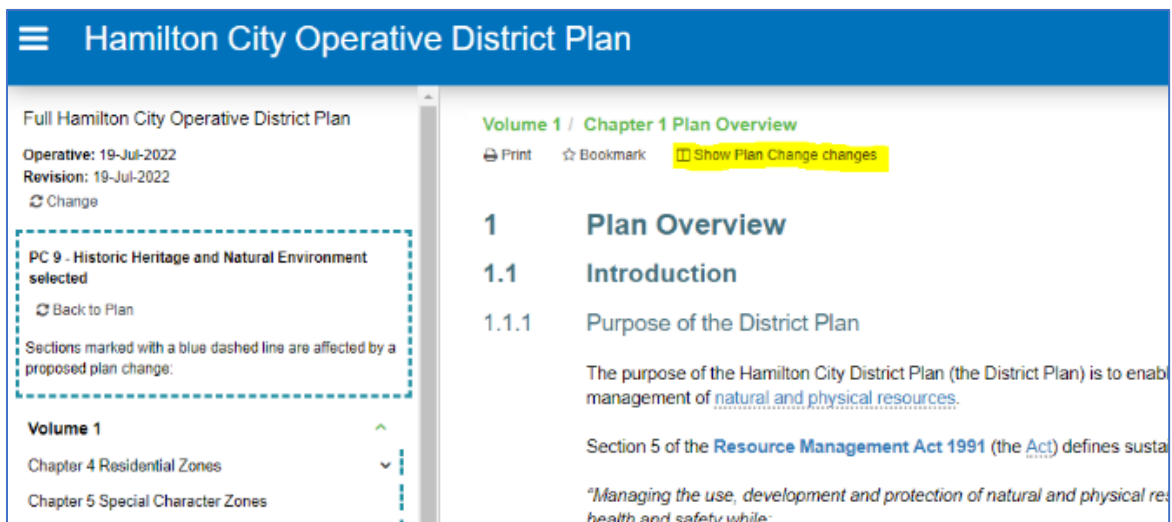

The screenshot shows a pop-up window titled 'Select a plan change'. It contains a table with the following data:

Plan Change	Status	Details
PC 9 - Historic Heritage and Natural Environment	Draft	

A 'Cancel' button is located at the bottom right of the window.

3. Any provisions that have been amended will show with a dashed blue line, to swap to see a tracked version click on the  Show Plan Change changes

The screenshot shows the Hamilton City Operative District Plan interface after selecting a plan change. The left-hand panel now shows 'PC 9 - Historic Heritage and Natural Environment selected' with a 'Back to Plan' button. The main content area displays 'Volume 1 / Chapter 1 Plan Overview' with a 'Show Plan Change changes' button highlighted in yellow. The table of contents and text are the same as in the previous screenshot.
