treetop walk

SERVICE ROAD

An aerial photograph of a park featuring a winding, elevated wooden walkway that curves through a dense forest of green trees. The walkway is bordered by a low wooden railing and has several people walking on it. Below the walkway, a large, open grassy field is visible, with several people scattered across it. A large, mature tree stands prominently in the middle of the field. The overall scene is bright and sunny, with shadows cast by the trees and the walkway.

POTENTIAL TREETOP WALK

WAIKATO RIVER
