

PUBLIC OPEN DAY

Love Your Park

West Town Belt Masterplan

Hamilton City Council is preparing a masterplan for the West Town Belt.

Hamilton's West Town Belt is an extensive tract of open space along the edge of the central business district, connecting the Lake Domain to the Waikato River.

The West Town Belt Masterplan will provide a long-term, spatial plan to help guide decision making, inform project delivery and ensure the town belt meets the needs of the community. At the moment, we are researching the town belt to understand how the space currently works, what its history is and what its future could be.

As regular park users and/or nearby residents we'd like to hear from you to understand how you use it and your future aspirations for this important open space.

If you can't attend the open day, you can go to the website below and fill out our survey from 25 August. You'll also have another opportunity to provide feedback during the wider public consultation later in the year.

SATURDAY
25 AUGUST 2018
10AM - 12PM
